ARAHAN UNTUK MENGGUNAKAN LOCAL BANK TRANSFER

- 4 Selepas itu, sila pilih bank yang anda ingin guna untuk membuat deposit tersebut dan tekan '**SUBMIT**'

- 5 Selepas itu, sila memasuki **Bank Username** dan **Kata Laluan** online banking anda untuk meneruskan.

The screenshot shows a 'Secure Online Payment' process. At the top, it says 'Secure Online Payment' with a lock icon. Below that, there is a progress bar with three steps: 'Bank Login' (highlighted in green), 'Authorization Code', and 'Payment Result'. Step 1 has a green arrow pointing to it. Below the progress bar, there is a 'CIMB BANK' logo. To the right of the logo, there are two input fields: one for 'Bank Username' (with a person icon) and one for 'Bank Password' (with a lock icon). Below these fields is a 'Continue' button. At the bottom of the screen, there is a 'Reminder' section with the following text:

*Secure Online Banking: Please Use your **Internet Banking** account and password to log in
You will be logged out in **355** seconds

Reminder:

- Kindly ensure that you have activated Online payment capabilities on your bank account
- Click button once only and do not refresh your browser
- It may take several minutes before the transaction is reflected on your account
- Please take note of the Bank Reference Number in any case that our Customer Service department may need it for further verification.

ARAHAN UNTUK MENGGUNAKAN LOCAL BANK TRANSFER
